UCCPlus Insurance Program Benefits:

Reduce origination costs. Increase lender and investor transaction protection. Eliminate UCC related documentation defects and filing office errors & omissions. Avoid counsel opinion risk. Enhance the strength and value of loans and portfolios sold into the secondary market.

UCCPlus Insurance Protection insures the security interest in commercial loan transactions for the benefit of Lenders, Investors, Owners and Borrowers. By insuring the validity, enforceability, attachment, perfection and priority of the lender's security interest in Article 8 and Article 9 collateral, UCCPlus insures over fraud, forgery, documentation defects, financing statement errors and filing office indexing problems & omissions while providing for the cost of defense in the event of a challenge to the insured's priority.

UCCPlus provides the industry's broadest coverages, narrowest exclusions and most flexible "Advantage Pricing". Policies provide significant protection to outside counsel, are fully assignable and only UCCPlus waives the right of subrogation against lender's counsel. UCCPlus specializes in major-market transactions. All underwriters are attorneys and senior paralegals with significant commercial finance experience.
